Profile

A dedicated journalist and neurodiversity consultant with on-air experience and multiple credits as assistant producer

- ★ **Grierson Award** and **Broadcast Award WINNER** as assistant producer on **BBC's Inside Our Autistic Minds**
- ★ Nominated as **'ONE TO WATCH ON AIR'** by **Sports Journalists' Association**
- ★ **University of Salford Alumni Achievement Award WINNER**

Key skills

- **Reporting** – enthusiastic but able to clearly convey information live in a concise manner
- **Storytelling** – vast experience of constructing stories for TV, radio and online
- **Contributors and presenters** – poised, comforting; worked with Chris Packham and Sue Barker
- **Research** – obsessive, persistent mindset makes journalism a natural profession
- **Media law** – completed BBC media law training, wide knowledge of industry and responsibilities
- **Attention to detail** – meticulous mentality, able to spot issues quickly and efficiently
- **People** – confident in the workplace, a strong presenter and loves meeting new people
- **Diversity** – keen to improve the media's knowledge and understanding of neurodiversity
