Profile

A dedicated, meticulous and energetic TV assistant producer and journalist who has been constructing AV content since the age of 12. With an eye for detail and diversity, and a wide range of media experiences across many genres, is looking for part-time assistant producer roles over the next 12 months to allow time for diversity commitments.

Key Skills

- Contributors – poised, assertive and comforting when meeting new characters
- Talent – worked with many high-profile names including Sue Barker and Chris Packham
- Locations – highly experienced in contacting and booking locations for shoots
- Shooting – recently trained on Sony FX6/FS7, shot on location and keen to get more practice
- Industry knowledge – wide knowledge of media landscape and responsibilities
- Attention to detail – obsessive mentality, able to spot issues quickly and efficiently
- People – confident in the workplace, a strong presenter and loves meeting new people
- Diversity – keen to improve the media's knowledge and understanding of neurodiversity

Experience
