

Nick Ransom

Profile

A dedicated, meticulous and energetic reporter and journalist who has a range of experiences on-air and off-air across various broadcasters and outlets. With an eye for detail and passion for diversity, and a wide range of media experiences across many genres, is looking for a full-time journalist/reporter role over the next six months.

Key skills

- Reporting – enthusiastic but able to clearly convey information live in a concise manner
- Storytelling – vast experience of constructing stories for TV, radio and online
- Working with contributors – poised, assertive and comforting when meeting new characters
- Research – obsessive, persistent mindset makes journalism a natural profession
- Industry knowledge – wide knowledge of media landscape and responsibilities
- Attention to detail – meticulous mentality, able to spot issues quickly and efficiently
- People – confident in the workplace, a strong presenter and loves meeting new people
- Diversity – keen to improve the media's knowledge and understanding of neurodiversity
